Mike,

Sources 5-7R,RS are currently approved for 703-02 coarse aggregate. The test sheets of your most recent biennial tests are attached.

You can check the current approval status of any fine or coarse aggregate sources using the Materials Supplier Viewer <https://gisportalny.dot.ny.gov/portalny/apps/webappviewer/index.html?id=4c02ef6c95fd481daf82d37306832a25> If you have any questions let me know.

Thanks  
Ken Rich
